

You are invited!

Maplewood House is taking part in a province-wide survey to tell us what we're doing right and what needs improvement from the point of view of residents and their family members.

Your feedback will be used to improve how we provide care to all seniors in care.

Resident interviews will be conducted by volunteers between:

June 2, 2023 – June 9, 2023

Family members will be emailed a separate survey.

For more information or if you prefer not to participate, please contact:
