Maplewood Care Society
is once again going
through the Accreditation
Process.

**Working in partnership with Families & Friends ensures we are
delivering care that matters most to you.**

Part of this very important process is to ensure that we are delivering the very best care for our residents and in turn our families. Accreditation ensures that we are meeting and exceeding the industry standards of excellence and that any standards that need improvement are identified and met.

CAN YOU HELP US WITH ANY OF THE FOLLOWING:

- Input on our Resident Quality & Safety Plan
- Input on our open Disclosure Process
- Input on development and implementation of our Strategic Plan
- Attend our Resident Food Committee Meetings
