Family Satisfaction Survey

In October we are conducting our Family Survey for Maplewood Care Society.

We always strive to improve care and family satisfaction.

Please fill in the Survey with your feedback to help us improve and provide better care for our Residents. The Survey will be emailed and at the front door for your convenience.

Dear Residents, Families, and Friends

As the leaves begin to turn and a crispness fills the air, we welcome the beautiful season, of Fall at Maplewood Care Society.

It's a time of reflection, warmth, and community and we're excited to share the latest happenings and upcoming events with you.

Walk and Roll Program

We are excited to share the success of our new Walk and Roll program!

This fun and motivating initiative combines, music, movement and community spirit led by our Music Therapist Julianne and Rehabilitation Assistant Tera.

The residents are encouraged to walk to the tune of their favorite songs, while being cheered on by fellow residents. The energy, encouragement and music makes this activity both enjoyable and inspiring.

Walk and Roll has quickly become a resident favorite and wonderful way to support both physical and social connection!

Spotlighting

Summer BBQ party

This summer's Western BBQ was a big hit! Gene Cordoni filled the air with lively country tunes while our kitchen team served up a hearty spread of brisket, BBQ chicken, and fresh salads. Laughter and cheer carried through the day with plenty of dancing and a pie-eating contest that had everyone grinning from ear to ear. It was truly a wonderful afternoon of good food, great music, and happy memories shared together.

Fridge Safety Reminder

To help us maintain a safe and sanitary environment, we kindly remind everyone that all food and drink items brought into the home must be:

- Covered with Saran Wrap
- Clearly labelled with the resident's name and date.

Our team checks the fridge daily, any items that are unlabeled or have been in the fridge more the 3 days will be discarded.

Thank you

A message from the Family Connections Care representatives at Maplewood Care Society.

With the Holiday season approaching, we want to recognize the incredible dedication our Maplewood Staff bring to caring for our loved ones. If you're looking for a meaningful way to say thank you, consider contributing to our **Staff Appreciation Fund** - a wonderful way to show your gratitude for all they do. Every contribution makes a difference.

Donations above \$25 will be eligible for tax receipt upon request!

Lost and Found

We've gathered a few clothing items that are waiting to be reunited with their owners! Families are welcome to check with the staff to see if any belong to your loved one. Please collect items by October 30th, as unclaimed pieces will be donated after this date.

Outings program

Our residents look forward to our monthly outings! Each month we offer two trips: one scenic country drive and one special destination, such as a local restaurant. The outings are always a highlight and very popular with residents. Because seating is limited, we keep a sign-up list and may need to rotate turns so that everyone has a chance to participate. We're also looking for a dedicated volunteer to join us on these outings and help make them extra special. If you're interested in volunteering, please connect with Emily Smith, our Volunteer Coordinator/Social Worker.
